

Landings International offers
Online Resources During Social Distancing

During this unprecedented time of disruption in parish life due to the pandemic, we are making available a collection of resources to help support our ***Landings*** leaders and returnees in continuing to meet their ministerial and spiritual needs.

1 Find live streams of daily Masses, including Holy Week and Easter, from Paulist parishes and centers around the country, as well as their dates and times at:

paulist.org/watchmass

(Copy and paste these links in your browser search engine)

2 More resources can also be found on the Paulist Fathers' website:
paulist.org

3 Follow Pope Francis' Holy Week and Easter Masses and events through this link to the Vatican's YouTube channel:
www.youtube.com/channel/UC7E-LYc1wivk33iyt5bR5zQ

4 If you're struggling with following the Mass online, read this excellent article from *America Magazine* that provides practical advice on how we can connect better at home:

www.americamagazine.org/faith/2020/03/31/coronavirus-has-cancelled-public-masses-how-can-we-participate-our-own-homes

5 Consider continuing your ***Landings*** sessions via video conference apps like **Google Hangouts** or **Zoom**. As you do this, for privacy purposes, we recommend that leaders check their account **Settings** to ensure that meetings are not recorded. We are preparing a workbook to assist ***Landings*** leaders in the conducting of virtual ***Landings*** sessions.

6 Consider joining in prayer for those affected and for protection during this difficult time. Some links to access these resources:
A Prayer for These Difficult Days from the Paulist Fathers
Pope Francis' prayer to the Virgin Mary for protection from Coronavirus

View ***Homebound***, a new video series from the Paulist seminarians to address issues related to isolation. Check our ***Landings International*** social media sites and your parish and diocesan webpages for further information.

MAY GOD BLESS YOU ALL AND KEEP YOU SAFE
